Hi David,

The City of Seymour Electric Department seems to be called the City of Seymour Light & Water Department. I've also included the report for the general City of Seymour in case that is helpful.

Registered Agent for Lighthouse Electric is Billy C. Harbin, listed on page three of the attached report.

Please let me know if you need anything further.

Sharon,
If you can help, I need the address for the City of Seymour Electric Department, and the Registered Agent for Lighthouse Electric.

Mr. Jay Barrington
Superintendent
City of Seymour Electric Distribution Department

Billy C. Harbin
Lighthouse Electric Cooperative, Inc.
703 Matador Highway
Post Office Box 600
Floydada, Texas 79235

Thanks,
